

Is there really a pot of gold at the end of the rainbow? During this season of Lent, the pot of gold at the end of the rainbow can be symbolic. For those youth that have given something up, or even taken on a new discipline, the pot of gold is Easter morning and the chance to have that cookie, soft drink, or whatever else they could have changed for the season of Lent. My hope is that each of the youth find something wonderful at the end of their rainbow, and I am here to help in any way possible!

Blessings,
Erin Busby

Spring Break Sunday- Dinner Out on the Town! **Sunday 7th**

Due to the amount of youth that will be out of town during Spring Break, I decided we would enjoy a dinner together, away from the youth building. We will meet at On the Border (New Road and Waco Drive) at 6:00 on Sunday March 7th. The church will treat the youth to dinner that evening as we enjoy fellowship and a wonderful meal! If you plan on attending, please let Erin know in order to make reservations. It should take about an hour and a half to order, be served, and eat.

Spring Break Activity **Thursday 11th**

For those of you that will be in town during spring break, I hope that you join us for lunch and a movie. We will meet for lunch at Jason's Deli at 10:45 and then head to the movies from there. At this point it looks like the movie will start around 1:00. Please call or email Erin to let her know you will attend. The church will pay for the movie, but the youth will each pay for his/her own lunch. Parents can pick youth up from the Starplex Galaxy 16 movie theater.

I am looking for a few parents to help drive from Jason's Deli to the movies, and join us for the movie.

Camp Allen Summer Camp!

The schedule is out for 2010 summer camp at Camp Allen! I have the dates for all the camps, which you can also find on Camp Allen's website (<http://campallen.org/summercamp>), but I wanted to highlight just a few camps in our newsletter:

Session D- June 13-19, Senior High Camp (those entering 10th-12th grades)

Session E- June 13-19, Middler Camp (those entering 5th and 6th grades), two of our youth will be there that week!

Session K- June 27-July 3, Middler Camp, our own Billy Tweedie will be there!

Session M- July 11-17, Senior High Camp

Session S- July 25-31, Senior High Camp

There are J-High Camps all summer long for those entering 7th-9th grades, which is why I did not highlight those. If you choose a date to send your youth, please let Erin know so that I can try to focus other youth on that same week! That way the youth go in knowing other campers!
